KLB Sixth Form Taster Lessons 2017

As part of the decision-making process for your A level subjects next year, you have the opportunity to attend taster lessons. These will provide you with an overview of the course - a brief outline of the syllabus, methods of assessment, teaching methods used, suitability for career choices and subject combinations. There will also be an element of work taught, so that you can get a feel of the differences between A level and GCSE.

Please indicate the subjects in which you would like to attend a taster lesson. To help us with the allocation please number your choices 1 to 7 in order of preference (1 being your highest priority and 7 being your lowest). We will try to accommodate your choices

Please refer back to page 6 in the Sixth Form Prospectus for clarification of the entry requirements for each subjects.

The taster lessons take place on Wednesday 1st and Thursday 2nd February. You will be given an individual timetable. Year 11 lessons continue as normal during this time.

Name: _____ **Tutor Group: 11** ____

Subject	**Tick**	**Subject**	**Tick**
