Katharine Lady Berkeley's School Sixth Form Application 2017

Please read the information carefully before completing the form. You must complete all sections.

When considering your choices, please refer to the prospectus and talk to your teachers and your parents. We suggest that you look at your mock results because these will give you an indication of expected GCSE results. We also recommend that you check the course entry requirements on page 6 of the prospectus.

- Courses offered on this application form will only run if there is sufficient demand to make them viable.
- Subjects which attract a large number of students will be allocated more than one teaching group.
- If you are in any doubt about your potential for courses in the sixth form, talk to your teachers before completing this form.
- If you are considering choosing a subject that you have not studied at GCSE, for example Economics, then speak with the Head of Department or Miss Khan.

Most students study 4 subjects, although some of you may be advised to take 3. This will be discussed at your interview. If you are unsure, choose the subjects you are most likely to want to study.
