Long Form: Detailed Notes

Short Form: Summary / Flash Cards

1. **Find out** what you need to know: ask your teacher and look at past papers online.
2. **List** the topics you need to understand by looking at past papers, internet revision sites, text books, class notes and revision guides. Your teacher can help you too.
3. **Read more** on topics you don't understand and make detailed notes
4. Aim to have the right information in a **(long) detailed form** and **(short) summary form** ready to memorise
