

## Homework Timetable – Year 11A

### Organisation

- Each GCSE is allocated two homework tasks a fortnight for the 2 week timetable.
- Teachers will set the homework on that day with the deadline in a following lesson at least 2 days later.
- Students are recommended to complete homework on the evening it has been set as this will balance homework across the fortnight.
- Use the 'activities' row to plan your own activities, you can move a subject to the following day if necessary.
- You should spend 1 hours 30 mins working, 45 mins on each subject.

### Week 1

|            | <b>Monday</b>             | <b>Tuesday</b>        | <b>Wednesday</b>    | <b>Thursday</b>                  | <b>Friday</b>           |
|------------|---------------------------|-----------------------|---------------------|----------------------------------|-------------------------|
| Subject    | English Language<br>Maths | Option P<br>Physics** | Option N<br>Science | Option L<br>Science<br>Biology** | English Lit<br>Option K |
| Activities |                           |                       |                     |                                  |                         |

### Week 2

|          | <b>Monday</b>             | <b>Tuesday</b>          | <b>Wednesday</b>    | <b>Thursday</b>     | <b>Friday</b>           |
|----------|---------------------------|-------------------------|---------------------|---------------------|-------------------------|
|          | English Language<br>Maths | Option P<br>Chemistry** | Option N<br>Science | Option L<br>Science | English Lit<br>Option K |
| Activity |                           |                         |                     |                     |                         |
