Dear Parents and Carers

I am delighted to report that year 9 students have had an excellent start to the new school year and I have been impressed with their curiosity and engagement across the curriculum and in tutor time.

The main purpose of this message is to invite you to the Parents' and Carers' Information Evening in the drama hall at school on Tuesday 2nd October from 6.30 - 7.30pm. The evening will be an opportunity for parents to hear about the aims for the year, important information and key dates. Alongside this, the presentation will detail the support available and key contacts to ensure we work together effectively to support your child.

Students do not need to attend the presentation, as they will receive all relevant information at school. We will email the presentation slides following the event and will post them on the school website.

Please use the link below to register your attendance for the event.

I look forward to seeing you at school on the evening.

Yours faithfully
