

## **Where to Go After Year 11: Post 16 Providers**

Whilst many of our Year 11 students continue to KLB Sixth Form to study, it is important for all Year 11 students to be aware of the wide range of options available in the surrounding area.

You may wish to consider: taking A Levels courses in a new environment; an apprenticeship; a more vocational course, which may include T Levels; a traineeship; joining the armed forces.

It is essential that you make an informed decision and choose the option / direction that is most appropriate to you, your preferences and your individual needs.

Listed below are providers (apart from KLB) in alphabetical order that you may wish to consider and explore further.

### **Colleges**

## **Some FAQ.**

### **How many different courses can I apply for?**

You can apply for as many places as you choose to. Once you apply, you will usually be invited for interview (discussion), and / or a 'taster' event where you can find out more about your course and the provider you have applied to.

### **When do I need to make a decision?**

You do not have to make your final choice until you have left school and have your qualification results.

### **Any advice?**

You should have a backup option just in case you do not quite get the results you were hoping for.

All the Post 16 Providers offer open days and events throughout the year and it is worth making the most of these opportunities. You can find out more about the courses, meet the tutors, have a look around and get a general feel for the place you may decide to go to when you leave school.

To find out about these open days and events, please look at each provider's website. Often you will need to book in advance.

**Remember if you are in any doubt at all, ask for help / advice. Talk to your tutor, Mr Dudbridge or Mr Pegg in the first instance.**
