Katharine Lady Berkeley's School, Wotton-under-Edge, Gloucestershire – Building replacement

Date: Wednesday 8th December 2021

Venue: Drama Hall
Katharine Lady Berkeley's School
Wotton-under-Edge
Gloucestershire
GL12 8RB

Time: 3PM – 7PM

I write to invite you to a Public Information Event in relation to proposals for improvements to the school. The purpose of this information event is twofold. Firstly, it is to give the community an opportunity to comment upon the draft scheme prior to the submission of a formal planning application. Secondly, it is to ensure that the local community has prior knowledge of the proposal before submission of a planning application.

Katharine Lady Berkeley's School is a secondary school with the campus located to the north of Wotton Road, and just to the north-east of the settlement of Kingswood. The built form is located within the north-eastern part of the site, with the remainder being open fields. The site is not affected by any sensitive landscape designation. To the north of the site are community sports facilities, comprising AstroTurf and 3G sports pitches and a rugby ground. A gated access links the school site with these facilities.

The proposal will include the erection of two new build blocks, the replacement of an existing multi-use games area (Junior Pen) and the reconfiguration of the bus/car park. The new additions will include a Main Block, an Activity Studio and a Learning Support extension. An indicative landscape masterplan for the proposed development is shown overleaf.
